Dear Client,

I am writing to recommend the services of U-Tel Auditors. I had U-Tel Auditors to look over the company gas bill and have saved hundreds of dollars. I was very pleased with the service they provided. They do an excellent job, are always prompt, and get the most competitive rates.

I would call U-Tel Auditors for any assessment needs. They have been very reasonably priced, and have done exactly what we've asked of them.

I'm happy to recommend the services of U-Tel Auditors.
