EDUCATIONAL
CENTER

To Whom It May Concern:

Please be advised that I am the comptroller of Landow Yeshiva, Lubavitch Educational Center, 17330 NW 7 Ave., Miami, FL.

I have had the privilege of utilizing U-TelAuditors LLC, to audit my school's utility bills. Although I was skeptical of their claims to unearth credits due to us, they were persistent and succeeded in discovering over \$16,000.00 that was ultimately refunded to us as a result of their efforts. I highly recommend U -TelAuditors LLC as a utility audit consultant to all Chabad organizations, seeking to improve their budget and save money. With absolutely no effort on our part they were successful in getting us a substantial refund. For any further information, please feel free to contact us. They exceeded all of our expectations.

We wish them a Yosher Koach,
