

1906 Lee Road, Orlando, FL 32810

To Whom It May Concern,

It has been a privilege to have a partnership with U-Tel Auditors. The company has saved the Greater Orlando Baptist Association hundreds of dollars by auditing our utility bills. Not only saved money now with refunds, but for our future bills. We can now adjust our budget for future years. I highly recommend them to any non-profit company to help them with reducing their budgets.

If you have any questions, please contact me at the phone number below or at lgoans@goba.org

Sincerely,

Linda Goans
Executive Administrator
