To Whoever is Considering Enlisting the Help of U-Tel Auditors:

Since joining our chamber of commerce several months ago, U-Tel Auditors has assisted numerous businesses and organizations to receive refunds from identified errors in their utility bills and are helping them save money on all future bills.

At a time when businesses are struggling to stay competitive while still maintaining a good bottom line, and nonprofit organizations are scrutinizing every dollar spend to continue providing their critically needed services, saving money on expenditures for utilities is essential.

Best of all, since the audit is free, you pay nothing to find out if funds are owed to you – so there's absolutely no risk. I highly encourage you to enlist the services of U-Tel Auditors. If you have any questions, please contact me.

Respectfully,
