RE: Utel Auditors

Please accept this as a letter of recommendation regarding the services provided by Utel auditors.

With minimal effort on our part Utel Auditors were successful in securing refunds from our utility companies. We supplied the required information and in a short period of time received either credit on our bills or a refund check.

Sincerely,

A handwritten signature in black ink, appearing to read "Donna Marsh", with a long, sweeping underline.

Donna Marsh  
Regional Accounting Supervisor
