To whom it may concern,

It is my pleasure As Director of Finance of Yeshiva Mesivta Torah Temimah to recommend UTelAuditors as a highly serious and professional auditing company.

They were able to decrease our schools monthly utility bills considerably, - in turn which help us to use our budget more effectively to improve our schools.

We are pleased that they will continue to supervise our ongoing accounts to make sure they continue to be rated accurately.

Best Wishes,

HaRav Tzvi Eliyahu Meir Schmelczer
מנהל המתיבתא
